Mr. Kimbell Johnson

December 4, 1956

Adolph Ludwig Kappus, a German alien, was taken into custody on December 9, 1941, in connection with the Government's Alien Enemy Control Program at Easton, Maryland, and was turned over to the Bureau of Immigration and Naturalization Service. At the time of his apprehension Kappus had an address book which included the name of one Paul H. Hoch, Catholic University, Washington, D. C.

Kappus was ordered interned by the Attorney General on April 25, 1942, "as being potentially dangerous to the public peace and safety of the United States." On February 28, 1946, the Attorney General ordered that Kappus be released.

The above data is submitted for your information. No investigation will be conducted by this Bureau in the absence of a specific request.
